You may try on samples from the SmartScrubs Fit Kit located in the Logo Shop at Renown Regional Medical Center.

Here's how to take advantage of these exclusive savings:

- 1 Once you've completed your onboarding paperwork, your Renown Health Uniform Store account will be set up for you within a week.
- 2 Look for an email from SmartScrubs containing a link to log in to the Renown Health Uniform Store. You will be prompted to reset your password at this time.
- 3 If you do not receive an email with login instructions a week after your onboarding paperwork was completed, contact SmartScrubs at 800.231.5965 or [groups@smartscrubs.com](mailto:groups@smartscrubs.com).
- 4 Once you've signed in to the Renown Health Uniform Store and selected a new password, you will see your available allowance in the top right corner of the page.
- 5 Click the green "My Assortment" button in the left menu and select from your approved uniform options.
- 6 Add your product selections to your cart. Your savings are already built in to the product prices and your logo will be automatically added to your top(s).
- 7 Click "Checkout" then enter your Shipping Address.
- 8 Your allowance will automatically be applied to your order total.
- 9 Enter payment information for any remaining balance after your allowance has been applied. You'll save up to 20%!
- 10 Click "Next," review your order and then click "Place Order."
