2014 FACTS AND FIGURES

Renown Health is a locally owned, not-for-profit integrated healthcare network. Northern Nevada’s largest health network and a nationally recognized healthcare leader, Renown comprises three acute care hospitals, rehabilitation hospital, skilled nursing facility, the largest medical group and urgent care network — and the region’s largest and only locally owned not-for-profit insurance company, Hometown Health. Learn more at renown.org or call 775-982-4100.

Facts:

• A locally owned and not–for–profit integrated healthcare network.
• Serving a 17-county region comprised of northern Nevada, Lake Tahoe and northeast California.
• A long tradition of being the first in the region to successfully perform the most innovative procedures.
• The region’s only accredited Trauma Center serving patients from Sacramento to Salt Lake City.
• The area’s most comprehensive network of care providers offering access to more than 150 medical professionals at 16 primary care locations throughout Reno, Sparks, Fernley, Fallon and Silver Springs.
• Area doctors rate Renown as the best place for technology and to practice medicine, as well as the best place to take their own family members for care.
• One of the region’s largest private employers with a workforce of more than 5,400 members.

Countless Lives touched

Figures reflect fiscal year 2012. Figures compiled from Renown Regional, Renown South Meadows and Renown Rehabilitation.

*Figure obtained using University of Nevada, Reno Department of Resource Economics multiplier.
Institute for Heart & Vascular Health
- A history of leading the way in medical breakthroughs, including the region’s first vascular lab, open heart surgery, stent replacement and angioplasty.
- Only hospital in Nevada to be accredited by the American Heart Association as a Mission: Lifeline Heart Attack Receiving Center.
- Two accredited Chest Pain Centers.
- Two D-SPECT heart cameras which rule out heart attacks faster and more comfortably.
- Only accredited Heart Failure Center in northern Nevada.
- Region’s only Heart Nurse Navigators, supporting patients 24/7.

Institute for Neurosciences
- Home to the region’s first accredited Primary Stroke Center and accredited Epilepsy laboratory.
- Treating the most complex neurological cases, including stroke, migraine, epilepsy and multiple sclerosis, as well as offering patients access to clinical trials that utilize ground-breaking treatments.

Institute for Cancer
- Nevada’s only program offering all three cancer accreditations: Breast Cancer, Radiation Oncology and Comprehensive Cancer Program accreditations.
- More clinical trials than other area hospitals.
- One of a handful of hospitals in the western U.S. which specializes in treating gynecologic cancers.
- Two leading radiation therapy treatments available: TomoTherapy Hi-Art and Varian TrueBeam systems, which treat tumors of all sizes and types throughout the body.
- Full scope of cancer services including Infusion Services, palliative care, medical and radiation oncology, and 24/7 Nurse Navigators.

Institute for Robotic Surgery
- Only hospital with two da Vinci Robotic Surgical Systems, and one of only a handful of hospitals nationwide offering treatment in multiple specialties.
- An internationally recognized training center, Dr. Peter Lim and the expert surgical team at Renown have perfected using the da Vinci Surgical System and are designated as Robotic Epicenter for gynecologic oncology.
- Among the first hospitals in the country to offer Single-Site da Vinci Robotic Surgery for hysterectomy and gallbladder removal through a single incision.

Renown Children’s Hospital
- Northern Nevada’s only hospital affiliated with the Children’s Hospital Association and Children’s Miracle Network Hospitals.
- Home to nearly two-thirds of all Reno-area births.
- Region’s only Children’s ER, Wilbur D. May Pediatric ICU and largest Neonatal ICU in northern Nevada.
- Children’s Specialty Care, treating children with blood disease and other major illnesses.
- Region’s first and only low-dose 128-slice CT scanner designed to reduce radiation exposure by as much as 80 percent.

Rehabilitation & Outpatient Services
- The only stand-alone facility in northern Nevada accredited by the Commission on Accreditation of Healthcare Facilities (CARF).
- A full range of integrated services, including occupational, physical, speech and other rehabilitative therapies that use leading-edge equipment to treat stroke and brain injury, orthopedic and other major physical conditions.
- Comprehensive wound care, including complete ostomy services and education, as well as state-of-the art hyperbaric oxygen therapy.

Renown Medical Group & Urgent Care
- Offering access to more than 150 medical professionals at 16 locations throughout Reno, Sparks, Fernley, Fallon and Silver Springs with convenient centralized scheduling.
- Convenient and quick treatment for urgent but non-life threatening medical situations at nine Urgent Care locations throughout Reno, Sparks, Fernley, Fallon and Silver Springs.
- Providing MyChart, a secure and convenient portal for patients to manage their healthcare online.

X-ray & Imaging
- Region’s leading provider of diagnostic imaging with nine convenient locations.
- First dedicated 64-slice PET/CT scanner, Bi-plane Angiography to stop strokes, and the newest 3T MRI technology in the region.
- Offering region’s leading preventive breast screening, including northern Nevada’s only SonoCiné full breast ultrasound, MRI-guided Breast Biopsy and Digital Mammography.

Lab Services
- Offering convenient access for lab work with 11 locations, extended hours, walk-in appointments and centralized scheduling.
- Nationally accredited by the College of American Pathologists (CAP).
- The region’s only local automated lab processing center, which means patients receive results faster.

Community Benefit
- One of the region’s largest private employers with a workforce of over 5,400.
- Provides nearly $140 million to support partnerships primarily benefitting healthcare initiatives in our community.
