Delivering high-altitude fun in a dramatic alpine valley.

A full-service, luxury resort in an idyllic mountain setting, Resort at Squaw Creek rests at the base of Squaw Valley, site of the 1960 Winter Olympics, and just minutes from California’s North Lake Tahoe.

This AAA Four-Diamond resort is ideally situated to offer access to Squaw Valley and Alpine Meadows, now accessible with one lift ticket. Our dramatic lobby, through its floor-to-ceiling windows, overlooks a cascading waterfall and the breathtaking Sierra Nevada Mountains. Our 405 luxurious resort rooms and suites, complete with resort-style kitchens, fireplaces and LCD flat-screen TVs, comfort guests in mountain home ambiance.

This is no ordinary Lake Tahoe hotel. Our gracious hospitality and full-service amenities led Condé Nast Traveler magazine to rank the Resort at Squaw Creek among the top 50 ski hotels in North America, and one of the top 150 U.S. mainland resorts.

Recreation enthusiasts love the resort’s true ski-in, ski-out lodging, 18-hole championship golf course, on-site cross-country ski center, fly fishing center, ice-skating rink, heated swimming pools, waterslide, and scenic hiking and biking trails.

And if that’s not enough, we also feature our own shopping promenade, four distinct restaurants as well as other dining venues, extensive meeting and wedding facilities, a full-service spa, a complete health and fitness center, and Mountain Buddies™, a comprehensive children’s program.

Whether you’re looking for a world-class destination for a corporate conference or for an exciting family vacation, Resort at Squaw Creek provides everything you need to share great experiences and create cherished memories.
