

# Protocols for Entering Your Home

## Actions Against COVID-19

1

When you come home, try not to touch anything.

2

Take off your shoes.

3

After walking your pet, disinfect its paws.

4

Remove your outer clothing and put it in a laundry bag. Then wash with bleach\* at more than 140 degrees.

5

Leave bag, purse, keys, etc. in a box at your home's entrance.

6

Shower if possible or wash all exposed areas well, including hands, wrists, face, neck, etc.

7

Clean your phone and glasses with soap and water or alcohol.

8

Before storing anything you brought outside, clean its surfaces with bleach\*\*.

9

Remove your gloves carefully, throw them away and wash your hands.

10

Remember that it is not possible to do a total disinfection. The objective is to reduce risk.

\* Bleach may discolor items.

\*\* Suggested bleach mixture: Add 1/3 cup of bleach to one gallon of water or 4 tsp of bleach to one quart of water. Don't forget to wear gloves.
