

MIRACLES AT MONTRÉUX 2020: GOLF TOURNAMENT BENEFITS LOCAL CHILDREN AND FAMILIES

The sixth annual Miracles at Montréux is set to be a fun, safe and memorable golf tournament supporting the magic and miracles made possible at Renown Children's Hospital

RENO, Nev. (July 22, 2020) – Renown Health Foundation today announced that [Miracles at Montréux 2020](#), a golf tournament presented by Greater Nevada Credit Union benefitting Renown Children's Hospital, is set for Monday, August 10, 2020 at the Montréux Golf & Country Club. This year's fundraiser, outside on the beautiful greens of Montréux, is in accordance with Governor Steve Sisolak's plan to safely reopen the state of Nevada—appropriate physical distancing and cleaning precautions will be in place.

In its sixth year, Miracles at Montréux 2020 will celebrate and honor our community's support of local children and recognize the magic they bring to life and the miracles they make possible. A primary goal of Renown Children's Hospital is to keep care close to home for the children and families of northern Nevada.

"Over the years, support from the Magic and Miracles at Montréux fundraising events has raised funds for advanced medical equipment throughout Renown Children's Hospital and propelled the development of Renown's Child Health Institute," said Tony Slonim, MD, DrPH, Renown's President and CEO. "We are grateful to our community for helping us provide the best care right here in Reno, so our local families don't have to pursue other care options further from home."

Renown Health Foundation recently made the decision to postpone Magic 2020, Renown's annual fundraising gala, to Oct. 2021 to help ensure the health and safety of event attendees, making attendance of Miracles at Montréux even more important.

"Renown Health is grateful for our community's support during these unprecedented times," said Dr. Max Coppes, Physician-in-Chief of Renown Children's Hospital. "Historically, Magic has been our biggest fundraiser of the year, and without it this year, our young patients and their families need the support of our community now more than ever. It is our sincere hope that our Magic donors will continue supporting Renown Children's Hospital through our golf tournament, Miracles at Montréux 2020. We look forward to a great day on the course for an even greater cause."

Renown Health Foundation is still looking for event sponsors and raffle items to add to the success of Miracles at Montréux 2020. Donations are 100 percent tax-deductible.

"We at Renown Health Foundation look forward to this event all year," said Greg Walaitis, Renown's chief development officer. "There isn't a more beautiful location to golf and support our local children and families, and the amazing work performed at Renown Children's Hospital every day. I extend my sincere thanks to Greater Nevada Credit Union, Montréux Golf & Country Club and our generous community members for their flexibility and determination to make this event a success."

"Greater Nevada Credit Union has a passion for helping more people Live Greater, and our partnership with Renown is a reflection of that commitment," said Danny DeLaRosa, chief development officer at Greater Nevada Credit Union. "This year's Miracles at Montreux event will bring key resources to Renown Children's hospital. We invite our community to stand with us in supporting our local Children's Hospital, and help some of our littlest Nevadans, Live Greater."

As an added safety precaution, each foursome will be assigned a specific tee time in the morning instead of the traditional 10 a.m. shotgun start. Registration for each player includes breakfast, lunch, post-round snacks and a \$50 gift card to the Nike Pro Shop, located on-site. For more information and to register, please visit renown.org/golf or contact Allison Strekal at 775-982-5361 or allison.strekal@renown.org. All proceeds from the event will directly benefit Renown Children's Hospital.

About Renown Health

Renown Health is the region's largest, locally owned and governed, not-for-profit integrated healthcare network serving Nevada, Lake Tahoe and northeast California. With a diverse workforce of more than 7,000 employees, Renown has fostered a longstanding culture of excellence, determination and innovation. The organization comprises a trauma center, two acute care hospitals, a children's hospital, a rehabilitation hospital, a medical group and urgent care network, and the region's largest, locally owned not-for-profit insurance company, Hometown Health. Renown's institute model addresses social determinants of health and includes: Child Health, Behavioral Health & Addiction, Healthy Aging and Health Innovation. Clinical institutes include: Cancer, Heart and Vascular Health, Neurosciences and Robotic Surgery. Renown is currently enrolling participants in the world's largest community-based genetic population health study, the Healthy Nevada Project[®]. For more information, visit renown.org.
