

At A Glance:

Accountable Care Organization (ACO)

Your health and quality of life:

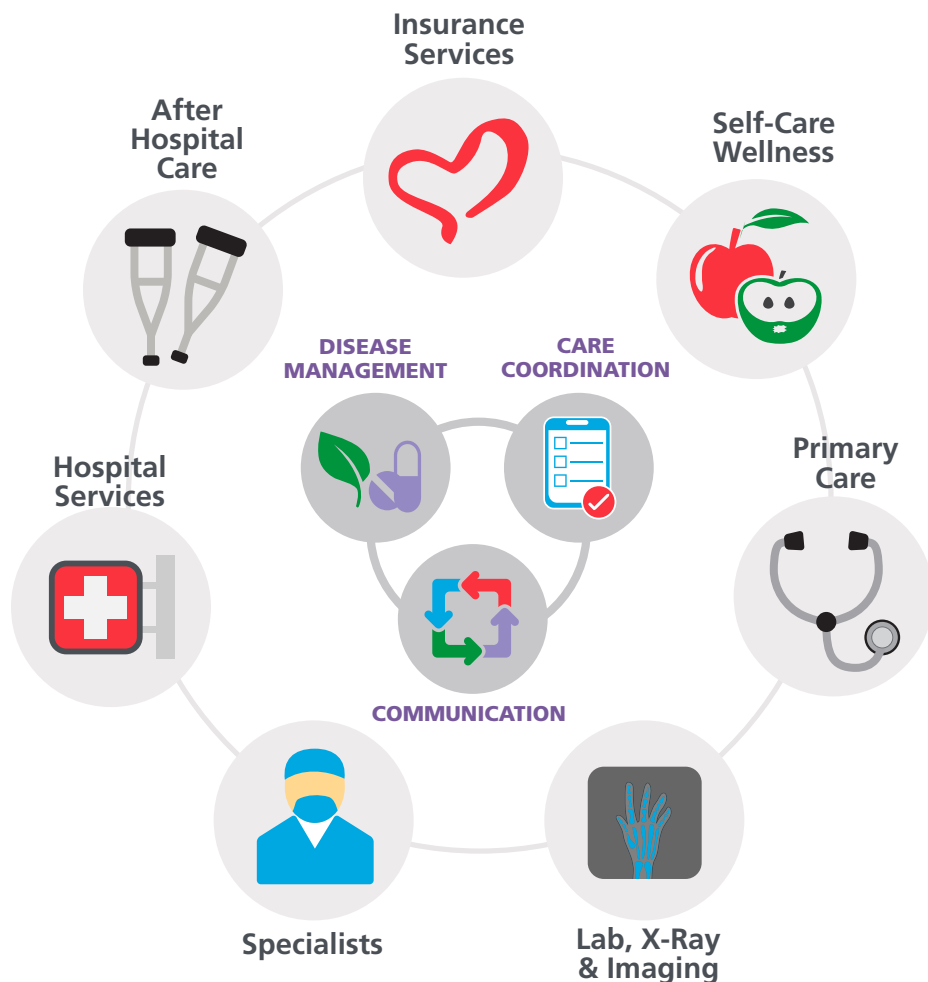

Renown Accountable Care

is here to help you reach your best health by supporting healthy behaviors, sharing in all decisions about your life plan, and coordinating care with your entire care team.

In the future, healthcare payments will be based on results.

Current System: Payments for **each service**

Future system: payments based on **outcomes**

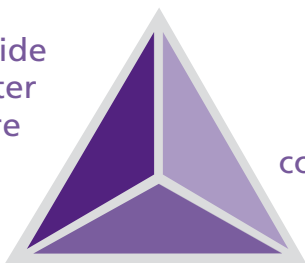

Accountable Care Organizations help us:

Provide better care

Achieve healthier people/communities

Assure smarter spending

We're in this together.

While you're responsible for your own health, we're here to support you with programs and services to achieve your best health.
