At A Glance:
Accountable Care Organization (ACO)

Your health and quality of life:
Renown Accountable Care
is here to help you reach your best health by supporting healthy behaviors, sharing in all decisions about your life plan, and coordinating care with your entire care team.

In the future, healthcare payments will be based on results.

Current System: Payments for each service
Future system: payments based on outcomes

Accountable Care Organizations help us improve:

access  
quality  
affordability

We’re in this together.
While you’re responsible for your own health, we’re here to support you with programs and services to achieve your best health.
