

At A Glance: Hospital Finance

Renown is
Reno's only

locally owned

not-for-profit
integrated
healthcare
network

150+
years serving
the community

6,300+
northern Nevadans
employed

6,088
indirect jobs
created

The result? A total
economic impact of

\$1.867

billion for our
region

We do not take care
of patients to make
money, but we must
make money to

take care

of our patients.

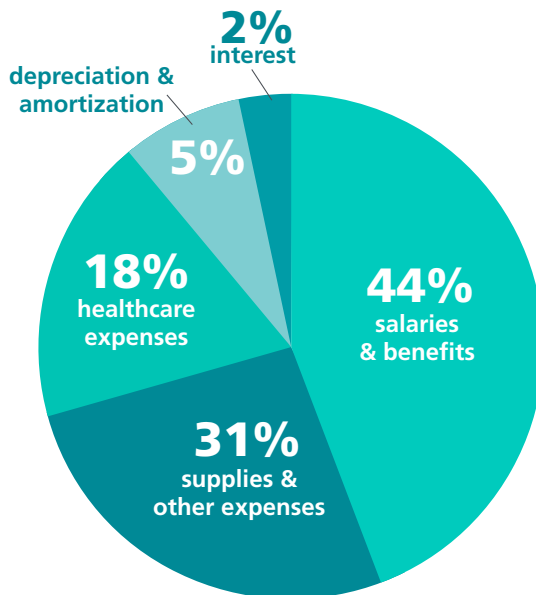

Do not-for-profit
hospitals need to
make a profit?

They do!

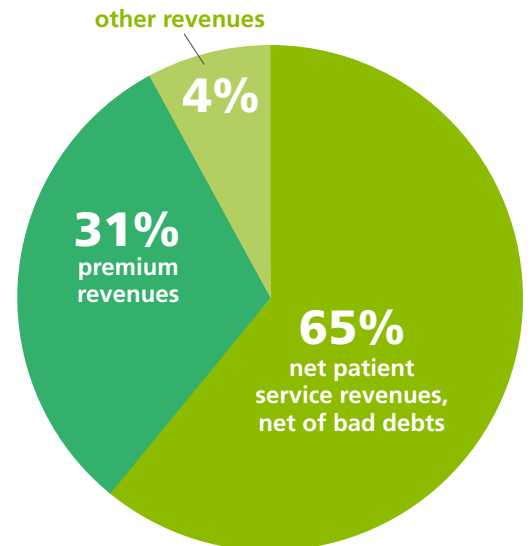

A typical budget looks like this:

Breakdown of Our Expenses

Where Do Revenues Come From?

From government and
private insurers

All of our earnings are

reinvested in our community

to bring new facilities, services, technologies and
treatments to our region.
